

# Ring the Sacred Bell

## Three Bows

**With utmost sincerity,**

I pay homage to the eternal Triple Gem,  
throughout the ten directions Dharma realm.

## Verse of the Sacred Bell

**May the sound of this bell transcend the Dharma realms,**

Reaching even the iron mountains and the darkest depths.

May beings be freed from the suffering of the three wretched paths,

And all sentient beings awaken to enlightenment.

Om karatiye svaha x3

*(ring the bell)*

## Lotus Sutra Verse for Attaining Buddhahood

**May the virtues and merit reach all equally.**

Together, may I and all beings,  
achieve the path to Buddhahood.

*(Bow once)*
